

Schedule A Formal Complaint

The Professional Conduct Committee of the Saskatchewan Association of Medical Radiation Technologists recommends that, pursuant to clause 26(2)(a) of *The Medical Radiation Technologist Act, 2006*, the Discipline Committee hear and determine the following formal complaint against Anthony Fernandes:

That Anthony Fernandes is guilty of professional misconduct, pursuant to section 23 of *The Medical Radiation Technologists Act, 2006* in that, on or about May 30, 2015, he altered a letter he had received from the Canadian Association of Medical Radiation Technologists that stated he had successfully completed a CT imaging 1 course so it would say that he had completed the CT imaging 2 course, when he had not in fact completed that course, in order to be qualified for a position with the Saskatoon Regional Health Authority, and his actions in so doing:

- (a) are harmful to the best interests of the public or the members contrary to clause 24(a) of *The Medical Radiation Technologists Act, 2006*;
- (b) tend to harm the standing of the profession contrary to clause 24(b) of *The Medical Radiation Technologists Act, 2006*; and/or
- (c) are a breach of section 19 of *The Medical Radiation Technologists Regulatory Bylaws, 2015*, which requires compliance with the *Code of Professional Conduct* contained in Schedule B, in that he thereby failed to conduct himself in a manner that maintains public trust and respect in accordance with clause 1(c) of the Code.
