Continuing Education Credit Program and Audit Guidelines

All Saskatchewan Association Medical Radiation Technologists (SAMRT) full practice and non-practice members must participate in the continuing education program.

Members must accumulate a minimum of ten (10) Medical Radiation Technology (MRT) specific continuing education credits per year. The credits do not have to be specific to one's discipline.*

Members are asked on the annual renewal to declare that they have earned the minimum amount of continuing education credits during the period of December 1 – November 30. It is fraudulent to declare credits if you cannot verify you have attained them. Contact the office if you do not have sufficient credits.

Members are not required to send their continuing education records to the SAMRT office, but must keep the records in the event they are among the 10% of membership who are audited annually.

Upon being audited, one must provide proof of having completed a minimum of ten (10) MRT specific education credits.

**MRT includes: Radiological, Radiation, Nuclear Medicine and Magnetic Resonance Imaging.*

Continuing Education Credit Program and Audit Guidelines

Continuing Education Credit Program and Audit Guidelines

CONTINUING EDUCATION AUDIT EXPECTATIONS:

An audit is conducted annually on ten (10) percent of the membership. Being audited in one year does not mean you will not be audited again the next year. Members are required to submit verification in three areas as declared on the SAMRT annual renewal:

1. Continuing Education (CE) Credits:

Submit proof of earning a minimum of ten (10) continuing education credits from the period of December 1st to November 30th. Refer to the table below for specifics on the required supporting documentation.

2. Medical Radiation Technology Practice Hours:

To verify that you have worked the minimum amount of required medical radiation technology practice hours, your manager/human resource representative must fill out the SAMRT Verification of Hours document available on the SAMRT website

3. Proof of Professional Liability Insurance (PLI)

Submit verification that you are currently a member with the CAMRT. Please include a copy of your CAMRT membership card or a copy of your receipt that shows you have purchased PLI.

Learning Activity	Supporting Documents for Audit
Professional Conference or workshop	Certificate of attendance from the lecture/conference * If a certificate of attendance is not available, submit the documentation listed under Rounds
